Welcome to Linking Up – Linking In. This is the second conference put on through the joint efforts of the BCVTA and POPDB. Whether you are a teacher of teacher of the visually impaired, a resource teacher, an Intervenor, a parent or from another teaching or helping area, we are so glad you are here.

While you are attending the conference, we hope that you will enjoy all the wonders that the Hilton hotel and the city of Richmond have to offer. The Hilton Hotel provides lounges and restaurants, a fitness center, a heated outdoor swimming pool, Starbucks and close proximity to Richmond Centre, Minoru Aquatic Center and sports fields and the SkyTrain station.

There are many activities to participate in while in Richmond...shopping and eating at the many unique shops and restaurants, visiting the historic village of Steveston or walking the trails and dykes around Lulu Island. Check with the Hilton's concierge for specific ideas of things to do while in Richmond.

If you have any questions about the conference, please feel free to find a conference committee member who would be happy to answer your questions. The committee members are wearing bright yellow nametags.

Presenter materials will be available on our conference website:
